Deputy,

We had a conference call this morning regarding information gathered from our Intel Ops on the crowd. We then had a call with all HENDON Partners.

We established a client list for live-time intelligence sharing and our strategic intelligence reporting. It is provided below and all client recipients have received this information. I provided you the contact list for those client locations (at CPs) last night.

Specifics below articulated by Insp Barclay.

Everyone

After the Hendon Partners call at 1100 hours we heard from Ottawa Police Service Security Intelligence Section that the mood amongst the protestors has changed and is now more aggressive.

We have a number of clients who are receiving information from Project Hendon however today our main client is Ottawa Police as they have command and control of the situation at Parliament.

When information is received by Project Hendon it will be disseminated to the following clients

1. D/Sgt Karen Marlin and D/Cst Steph Quesnel (OPS) at the Command Intelligence Group at the National Capitol Region Command Centre (NCRCC).
2. Inspector Dawn Ferguson at the NCRCC
3. Jean Alexandre Robillard-Cardinal at the Surete du Quebec Command Post

4. A/S/Sgt Lisa Kinnear at the OPP Emergency Operations Centre – MCIC Inspector Joe Varga
5. D/Cst Shawn Driscoll at the OPP East Region Command Post – CIC Inspector Scott Semple

If members at the Command Posts receive information they will disseminate it to the members above including Catherine Palermo and Trish Ingalls

OPP Crowd Infiltration Teams will report to D/Sgt Karen Marlin

The Project Hendon Sit Rep will be sent out by 1500 hrs today

Thanks everyone
